

Miebo[™] Rx in a blink

Patient support powered by **BLINKRx**

BlinkRx is an option that can help you save on your Miebo[™] prescription

1

Your healthcare provider sends your prescription to BlinkRx.

2

BlinkRx searches lower price options using available resources.

3

You will receive a text with a link to pay online or by phone. Your prescription will be delivered for free, and your refills can be easily managed.

BlinkRx provides support for both Commercial and Medicare Part D patients.

- Eligible* Commercially insured patients may pay as little as a \$0 copay
- Eligible Medicare Part D patients may be able to receive a product trial

About
BLINKRx

BlinkRx is a unique patient access solution that helps reduce the barriers to starting and remaining on therapy. Patients benefit from transparent low prices, free home delivery, and personalized support.
